

FIVE IN 5

Membership Drive

FIVE THOUSAND NEW MEMBERS IN FIVE YEARS

EACH ONE, REACH ONE

If every existing NAWDP member recruits just ONE new member, we will exceed our membership campaign goals. We need your help to grow our organization.

THE HIGH FIVE CLUB

Recruit five or more new members and become a part of the "High Five Club." Benefits include VIP treatment and recognition at annual conferences.

COMMUNICATE OUR VALUE BY SHARING YOUR EXPERIENCE...

"NAWDP can build the skills of your staff through nationally-recognized credentialing and specialized in-person and virtual professional development on successful strategies for serving ex-offenders, individuals with disabilities, immigrants and youth and young adults."

"NAWDP provides access to best practices, key policy-makers and innovators through our international community of practice and national partnership activities."

"NAWDP can help you find additional funding for your organization through a members-only weekly subscription to the Funding Connection."

"NAWDP facilitates the exchange of best practices and innovations through an active social media presence and specialized virtual training."
